CORPORATE PROFILE

Established in Singapore in 1986, Campaign started operation in UAE in 2016 under the umbrella of Mawarid Holding Investment.

Campaign provides a full range of facilities services to hospitality, commercial, residential and educational institutes, commercial buildings, as well as financial institutions, airport terminals, industrial sites and various government sectors as well as healthcare. We specialize in a system of Complete Solutions by providing highly-trained people for every specific task.

Campaign aims to become a local and regional leader in Facilities Management by strategically expanding and gaining a strong foothold mainly in the region and particularly in United Arab Emirates (UAE), in which we have adapted our services to meet the demands of the local market, and through our business development department ,research and identify new prospective facility management services - including robotics, computer assisted facility management activities and state of the art organization procedures.

MISSION

Campaign constantly strives to meet the needs of a wide range of clients. In support of this mission, Campaign is committed to:

- Providing service excellence to all our customers in the most efficient and effective manner
- Providing our employees with the opportunity to grow with the company personally and professionally
- Using the most advanced methods and technology for competitive advantage and cost effectiveness
- Optimizing synergy by harnessing the Group's resources.
- Generating fair profit and growth to support operations, fund development, sustain quality and reward staff and stakeholders

VISION

The management and staff of Campaign are committed to Total Customer Satisfaction in our services by:

- Providing Customer Satisfaction
- Recognizing & Rewarding Employees' Contributions
- Implementing Teamwork Consistently
- Continuous Improvement on Quality Standards
- Encouraging Employees to Be Creative and Innovative

SERVICES

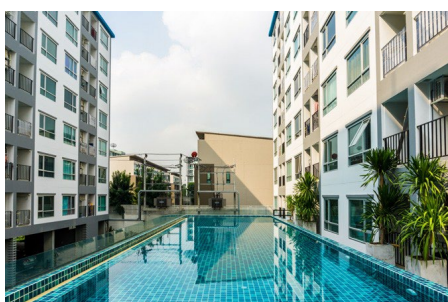

COMMERCIAL

In this sector, we are capable of large-scale building maintenance. As a complete service provider, our facilities services range from general maintenance of the building to environmental solutions. We are committed in value adding our services through the adoption of technology (Automated Scrubbers, workforce management systems) to improve performance. The implementation of Rope Access for external cleaning, is another example of a cheaper and more effective solution.

- General Cleaning
- External Cleaning (Rope Access)
- Green Wall Cleaning
- Facilities Maintenance (Repair and Construction Works)
- Environmental Solutions (Food Waste Recycling)
- Facilities Management Software
- Robotics (Automated Scrubber)
- Pest Control & Landscaping

RESIDENTIAL

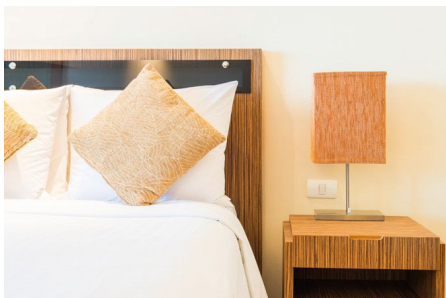

At Campaign Complete Solutions, we offer a range of services to clean and maintain private residential buildings. In addition to general cleaning and maintenance of the premises, we also offer specialized services for the upkeep of facilities such as swimming pool, gym, chillers, BBQ area etc.

- General Cleaning (Facilities Cleaning)
- External Cleaning (Rope Access)
- Facilities Maintenance (Repair and Construction Works)
- Environmental Solutions (Food Waste Recycling)
- Facilities Management Software
- Robotics (Automatic Scrubber)
- Pest Control & Landscaping

“Utilizing the right people for the right job.”

HOSPITALITY

There is an upward trend of hotels and accommodation facilities to meet the demands of the tourism sector. In this service-oriented industry where customers relate quality to out-look and cleanliness, it is important that the premises of such accommodations are maintained on a daily basis. Most customers return to the same hotel. There is a need to emphasize on hygiene as hotels host people from varying countries.

- General Cleaning (Facilities Cleaning and Common Area Cleaning)
- Stewarding & Housekeeping
- External Cleaning (Architectural Feature & High Rise Building)
- Green Wall Cleaning
- Facilities Maintenance (Repair and Construction Works)
- Environmental Solutions (Food Waste Recycling)
- Facilities Management Software
- Robotics (Automated Scrubber)
- Pest Control & Landscaping

INDUSTRIAL

Campaign Complete Solutions is well equipped with cleaning services in the industrial sector. We develop highly cost efficient and quality solutions for various clients so that they can run their operations effectively. We specialize in controlled environment (such as cleanroom and laboratories) cleaning where the concentration of airborne particles is controlled to specified limits and cleaning is an essential element of contamination control. This helps our clients improve product quality through minimizing cross contamination which is the most significant cause of downtime and loss of yield.

- General Cleaning
- External Cleaning
- Cleanroom/ Laboratory Cleaning
- Facilities Maintenance (Repair and Construction Works)
- Environmental Solutions (Food Waste Recycling)
- Facilities Management Software
- Robotics (Automated Scrubber)
- Pest Control & Landscaping

GOVERNMENT SECTOR

At Campaign Complete Solutions, we are committed to providing quality services For town council conservancy. We train dedicated professionals to manage and maintain the common property of HDB residential flats.

- Common area cleaning
- Pest Management & Landscaping
- Environmental Solutions (Refuse Collection & Food Waste Recycling)

HEALTHCARE

In the healthcare sector, regular sanitization and thorough disinfection are pertinent to inhibit the spread of healthcare-associated infections. At Campaign, we comply with the regulations of cleaning standards to provide environmental cleaning and Maintenance for 'Hotel Component' (common facilities) and 'Hospital Component' (patient facility). It is our commitment to ensure the safety of patients/residents, staff and visitors by providing employee health and mandatory training. We also regularly assess the quality of our cleaning services and make certain that it meets appropriate infection prevention and control best practices.

“Equipped to handle any situation - ensuring each job is done to exactly standards.”

- Cleaning for 'Hotel Component' (Common Facilities)
- Cleaning for 'Hospital Component' (Patient Facilities)
